Juvene Semena

**La Bégude-de-Mazenc,
France
17-25 July 2024**

INFOPACK

Juvene Semena: that's us!

This is us!

“Juvene Semena” is the name we have chosen for our team, it comes from Interlingua and it means “young seedlings*”, that’s because we are a group of youngsters who had the desire to take matters in our own hands and create a project by young people and for young people. With the help of the youth center BIJ La Ciotat and the association Hors Pistes we discovered the ingredients to create a successful youth exchange and here is the results of our efforts!

The exchange in a few words

“Juvene Semena” is also the name of this Youth Exchange because it represents the wish to develop our awareness around environmental issues and our role as active citizens in our communities.
